Our Product Portfolio

Cellular Modems, Routers, Asset Trackers and Gateways

Embedded Modules

SIERRA WIRELESS AirPrime

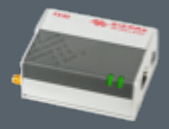
- LPWA, 4G LTE, & 3G
- Requires End Device Certification
- AirVantage® Cloud Management

Embedded Modems

NimbeLink Smart. Simple. Cellular.

- 3G, 4G LTE
- Development kits available
- End Device Certified
- AirVantage® Cloud Management

Programmable Modems



SIERRA WIRELESS AirPrime

- 3G, 4G LTE
- Small, rugged, & economical
- End Device Certified
- AirVantage® Cloud Management

Telematics and Tracking Devices

CalAmp

- 3G, 4G LTE
- OBDII and Battery-Driven Asset Tracking devices
- PULS Remote Management Platform

Enterprise Routers

peplink

- 4G LTE
- Multi-Ethernet and Wi-Fi
- Failover capability
- InControl 2 ® Device Management

Intelligent Industrial Gateways

SIERRA WIRELESS AirLink

- 3G, 4G LTE
- Industrial & low power solutions
- ALMS or AMM Device & Fleet Management

Ultra-Rugged Mobility Routers

SIERRA WIRELESS AirLink

- 3G, 4G LTE Advanced
- Mobility and multi-radio solutions
- ALMS or AMM Device & Fleet Management

Our Product Portfolio

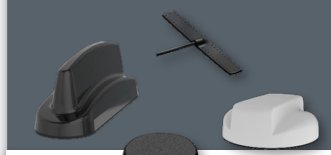
Signal Boosters, Antennas and Cables

Smart Signal Boosters

CEL-FI by NEXTIVITY

- Easy set-up & no installation
- 100 dB Gain solutions covering 15K-200K Sqft
- Reliable solutions for any coverage issue

Antennas



SIERRA WIRELESS AirLink® Antennas

PANORAMA ANTENNAS

- Mobility, enclosure, & in-building antennas
- SharkFin, Low-Profile, Yagi, & Panel styles
- Multi-Cellular/WiFi/GPS options

Antennas

ANTENNAPLUS

- Mobility antennas
- Threaded-Bolt, Adhesive or Magnetic Mount styles
- Multi-Cellular/WiFi/GPS options

Management Services

PULS Remote Management Platform

CalAmp

- Configure LMUs
- Manage over-the-air firmware updates
- Troubleshoot and diagnose issues

AirLink Management Service

SIERRA WIRELESS

- Cloud-based Device Management
- Available for Gateway & embedded portfolio

AirLink Mobility Manager

SIERRA WIRELESS

- End-to-end Network Management solution
- Available as a hosted service

InControl 2 Device Management

peplink

- Cloud-based Device Management
- Fleet Management
- SpeedFusion VPN configuration and management
